| Colour of Light             | White                                |
| Light colour options        | Tunable White                        |
| Luminous Flux (Lumen)       | 4000lm                               |

|                        |                    |
|------------------------|--------------------|
| Lumen per watt         | 118                |
| IP-rating              | IP20               |
| Impact Protection (IK) | IK03 - 0.35 joule  |
| Fixture Connection     | Screwless terminal |
| Power factor           | >0.90              |
| Product Type Category  | LED Panel          |

## Fixture Information

|                       |                    |
|-----------------------|--------------------|
| Mounting Method       | Recessed           |
| Unified Glare Rating  | < 18               |
| Optical Cover         | PC (Polycarbonate) |
| Operating Temperature | 0 to +25           |
| Emergency Lighting    | No Emergency Unit  |
| Colour of the Fixture | White              |
| Housing               | Steel              |
| Colour of material    | White              |

## Dimensions

|                |          |
|----------------|----------|
| LED panel size | 120x30cm |
| Length (mm)    | 1200     |
| Width (mm)     | 300      |
| Height (mm)    | 75       |

## Why Budgetlight?

## Sensor Information

|                |                                                                                                                                  |                                                                                                                    |
